ANASTASIA ALEKSEEVA

Senior Brand & Digital Designer

Open to remote roles and international relocation

Portfolio · rarytudesign@gmail.com · LinkedIn

SUMMARY

Brand and digital designer with 6+ years of experience across consumer brands and international technology startups. Develops visual identities, marketing websites, and campaign systems, combining hands-on design with digital art direction. Experience spans pre-launch brand development and direct collaboration with founders, marketing, and product teams.

EXPERIENCE

X5 Group | Senior Communication Designer

2026–Present

Retail group · X5 Club: 83.9M loyalty customers (June 2026)

- Invited to return to a new team with a broader remit across X5's loyalty and subscription services.
- Design campaigns and customer communications for X5 Club, Pyaterochka's interest-based clubs, and Paket across digital, CRM, and offline channels.
- Develop visual concepts, brand guidelines, and reusable campaign templates across multiple services.

EQ LAB | Senior Communication Designer

2025–2026

Design work for international technology and Web3 startups

- Designed marketing websites, landing pages, and launch assets, working directly with founders and product teams on visual direction and website messaging.
- Developed visual systems for community channels and used generative AI for concept exploration, image production, and creative iteration.

Apelsin | Senior Communication Designer

2024–2025

Multi-partner loyalty program involving X5 and Alfa-Bank
Reported customer base of 80M at launch (2024)

- Joined the pre-launch design team and helped establish the visual communication system.
- Designed launch campaigns, landing pages, key visuals, and digital and offline materials.
- Developed brand guidelines and reusable templates still used by the team today.

SberSpasibo | Senior Communication Designer

2023–2024

Sber's loyalty program · 91.9M participants (year-end 2024)

- Designed digital campaigns, CRM communications, and landing pages.
- Created 3D bonus assets used in Sberbank Online and SberSpasibo's digital channels, plus campaign assets for Burger King, Okko, Litres, and other partners.

ANASTASIA ALEKSEEVA

Senior Brand & Digital Designer

INDEPENDENT PRACTICE & SELECTED WORK

Independent Brand & Digital Designer

2020–Present · Freelance alongside in-house roles

- Deliver brand identities, websites, and campaign creative for startups, established businesses, and agencies, from concept and visual direction through production and launch.

Clients & collaborations include Noiz Agency, AliExpress Russia, Bonduelle Russia, National Library of Israel, Bunny Poem, and FinHarbor, among others.

SELECTED PROJECTS

DOM Cyprus — Designed a unified brand system spanning six business areas, including identities, guidelines, large-format advertising, and a bilingual website.

HEVY Media — Developed a visual system and reusable social media templates that became the foundation for ongoing content production. Continued the partnership through art direction and design support.

Warden Protocol — Redesigned the marketing website and developed a visual system and templates for X and community channels, working directly with the founder and product team.
